Recommendation Letter for Mehdi Ali

To: Hiring Manager,

I am writing this letter to highly recommend **Mehdi Ali**, who has been employed at Greensky Games as an **Intermediate Game Developer**. Greensky Games is an award-winning VR studio whose critically acclaimed titles—Swarm, Swarm 2, Chronostrike, and Anomaly—have consistently earned top users ratings (4.8+ stars) and multiple NYX Awards for boundary-pushing innovations in virtual reality gameplay.

I have had the pleasure of working closely with **Mehdi** for **the past 27 months** in my capacity as the **Chief Technology Officer** at Greensky Games. And during their time with our organization, **Mehdi** has consistently demonstrated **technical proficiency**, **attention to detail**, and **collaboration**. They reported directly to me and were primarily responsible for **the technical development of Swarm 2 and Anomaly**.

Mehdi's versatility is one of his greatest strengths. He played a key role in multiple aspects of development, from integrating avatar models and optimizing project organization for better collaboration to ensuring smooth cross-platform multiplayer experiences.

Mehdi also consistently delivered high-quality solutions that enhanced Anomaly's functionality and player experience by designing modular and scalable UI elements, and implementing advanced AI decision-making using HTN-based behavior.

Beyond his technical capabilities, Mehdi is a proactive and reliable team member. He approaches challenges with a detail-oriented mindset and a strong commitment to delivering polished, efficient solutions. Whether refining gameplay mechanics, integrating assets, or solving networking issues, he consistently contributed to the success of the project.

Mehdi Ali has been a tremendous asset to Greensky Games, and I am confident they will bring the same level of **work ethic** and **reliability** to any organization fortunate enough to have them. **Mehdi** has my highest recommendation.

If you have any questions or require additional information regarding **Mehdi Ali's** qualifications or performance, please do not hesitate to contact me at **+5491157721283** or **martinalejandrozudaire@gmail.com**.

Sincerely,

Martin Zudaire
